VICILANTES TO AVENCE WOMAN?

Waterbury Aroused by Mysterlous Attack on Miss Margaret Crane, Who Was Active in the A. O. H. There.

HER HEAD CUT, PURSE GONE.

She Was Found Unconscious in a Hallway Eight Hours After Her Disappearance, and Residents Sald Hack Drove Up In Night.

WATERBURY, Conn., May 13 .- Pib-Me indignation over the brutal and mysterious assault on Miss Margaret Crane. a woman widely known here for her benevolence, may result in the formation of a vigilance committee.

She is the third woman who has been brutally attacked in the streets after dark since the cossation of the street railway strike. The two former victims say they were assaulted by negro highwaymen. Miss Crane is in a critical condition at the Waterbury Hospital, and it is feared she may die before recovering consciousness and telling what happened to her.

Miss Crane lived with her parents at No. 3 George street. She is forty years old, but appears much younger. She is tall, well proportioned and a strikingly handsome woman. She has been employed for several years in the office of the aWterbury Manufacturing Company and is widely known through her activity in the various societies attached to the Church of the Immaculate Concep-

girl from Sulwalker, Russia, when she fell in love with Morris Moslow, of No. 67 Bayard street. They married, but their union was so unhappy that they agreed to obtain a "get," which is a rabbinical divorce that has always been recognized as legal in Russia. Rabbi Abramovich wrote out a decree and Morris handed it to her, as both recited the words:

"We are now divorced according to the law of Moses and Israel."

To the woman that was as legal as any the courts could issue. Just at that time The World was calling attention to irregularities practised by divorce rabbis and nearly all who were in the "get" business took pains not to violate the law. Rabbi Abramovich took the divorce from Fanny and gave her a "ptur, which certified that she was duly divorced according to the Talmudical law, but that she could not marry again until she secured a decree according to the law of the State. This was written in Yiddish, but she had no idea of its meaning.

the law of the State. This was written in Yiddish, but she had no idea of inmeaning.

Elx weeks ago Fanny Moslow was married to Jacob Polikansky, a cobbier in Ghoistein's shoe factory, No. 155 Delancey street. Ghoistein learned of the marriage and told the couple that they had no right to marry. The woman shocked and surprised, left her new husband the day after her marriage and went to her home, at No. 206 Rivington street. Then she employed Samuel Markewich, of No. 63 Park row, to begin divorce proceedings against Moslow. Moslow, it appears, was jealous, and Mr. Markewich says he had his furmer wife indicted for bigamy. She admits technical guilt, and, as ignorance of the law is no excuse, she expects to have to suffer.

Abramovich, with two others, Friedman and Hirschowitz, also known as rabbis, conducted what the Hebrewsterm a bethden, or house of law. They saved "gets" and married East Side people of their own faith. The Fast Broadway office was a few doors from the Educational Alliance, which is fighting the rabbis who issue the "gets."

St. Petersburg Denying Another Slaughter Admits Apathy of Authorities at Kisheneff.

ST. PETERSBURG, May 13 .- The report published in the United States that a massacre of Jews, similar to the one which took place recently at Kisheneff. capital of Bessarabia, had occurred at Tirospol, seven miles from Kisheneff, is officially denied and is universally dis-

Additional details of the Kisheneff Additional details of the Kisheneff massacre of Jews are printed here daily. The correspondents give the number of victims thus far buried in the Jewish cemetery at forty-four, and say that eighty-four persons seriously wounded are still in the Jewish hospitals.

The horrors reported scarcely bear repetition. In one instance spikes were driven through a woman's head into the floor, and cases of bodily mutiliation have been authenticated. About 500 to 1,000 persons were arrested, a special official having been sent from Odessa to deal with the situation.

Another victim of the practice of certain east side rabbis in granting divorces will appear to-morrow when the trial of Fanny Moslow on the charge of bigamy will begin before Judge Warren W. Foster in General Sessions. She is a perfect type of the many on the east side who commit bigamy without criminal intent.

Rabbi B. Abramovich, of the Congregation Mishkan Anshe Suwalker, who has an office at No. 169 East Broadway, granted a "get" to Fanny Moslow nearly two years ago.
